STATINTL SUBJECT: Audit Closing Statement

Contract No. SA-5304, Work Order #5

TO : Contracting Officer

STATINTL

1. This CPFF type contract dated December 27, 1967 provides for the redesign of four (4) ECM circuits including engineering support and simulator evaluation. Work commenced during December 1967 and was completed during April 1968.

2. We have examined the contractor's accounting records and financial operating procedures for the purpose of determining whether the amounts claimed for reimbursement by the contractor, as represented by public vouchers submitted, constitute allowable costs under the terms of the contract. The examination was performed in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

3. The results of our examination of the amounts claimed are detailed below:
